## about us

KNM Markazudawa is a dynamic community organization based in Kerala, deeply committed to preserving and promoting authentic Islamic teachings while addressing the social, cultural, and educational needs of Muslims in the region. Its mission revolves around aligning the Muslim community with the true essence of Islam as taught in the Holy Qur'an and Sunnah, focusing on values such as unity, knowledge, social welfare, and religious reform.

## Key Features:

### ● — Foundation and Purpose:

- ✦ KNM Markazudawa was born out of a need to preserve the foundational principles of the Kerala Nadwatul Mujahideen (KNM) after a division in 2002.
- ✦ The organization aims to return the community to its core values, emphasizing education, religious reformation, and the eradication of superstitions and innovations that diverge from the authentic teachings of Islam.
- ✦ It seeks to embody the true spirit of Islam, following the path of the righteous predecessors (Salaf), and actively works against extremism and terrorism, rejecting all forms of radical ideologies.

## ● Community Empowerment and Education:

- ✦ KNM Markazudawa places great importance on education. Its initiatives include the establishment of schools, colleges, and libraries, creating a solid foundation for learning that is rooted in Islamic values.
- ✦ The organization has translated the Qur'an into various languages and engages in other educational outreach programs to make Islamic knowledge more accessible.
- ✦ Youth, students, women, and girls are provided with specialized programs through subsidiary bodies like ISM , MSM , MGM , and IGM which cater to their unique needs.

## ● Social Welfare and Religious Reform:

- ✦ KNM Markazudawa is deeply invested in the social well-being of its community members. The organization has undertaken several community welfare projects, ranging from health initiatives to social outreach programs.
- ✦ It works to reform societal practices, guiding individuals and communities to live in accordance with the true teachings of Islam, free from un-Islamic customs and superstitions.
- ✦ The organization also places a high emphasis on mosque construction, with several mosques being built across Kerala as part of its vision to foster religious awareness and community cohesion.

## ● — Conferences and Public Engagement:

✦ The organization holds state conferences every five years, along with regular lectures, awareness campaigns, and Islamic exhibitions. These events serve as platforms for knowledge sharing and community engagement.

✦ Through these activities, KNM Markazudawa not only strengthens its community's bond but also educates the wider public on the true teachings of Islam.

## ● — Unity and Tradition:

✦ KNM Markazudawa emphasizes the importance of unity within the Muslim community. Despite the challenges and internal divisions that led to its formation, the organization continues to advocate for harmony and collaboration among its members.

✦ The core values of KNM Markazudawa focus on maintaining a balance between tradition and progress, ensuring that the community can adapt to modern times without losing touch with its roots.

## ● Vision Moving Forward:

✦ KNM Markazudawa envisions a future where Muslims in Kerala and beyond are equipped with knowledge, guided by the Qur'an and Sunnah, and are active participants in the betterment of society. It remains dedicated to shaping a community that values education, ethical conduct, social justice, and unity.

✦ By fostering a deep connection between faith and practice, KNM Markazudawa seeks to bridge the gap between knowledge and action, tradition and innovation, and ultimately, unity and progress.
